While Government Guidelines have only addressed public transport and retail shops for mask wearing, it is only responsible that we now wear our masks throughout the service and only remove them once seated to eat and drink. This will apply to all Services including Baptism and Funeral Families unless the government introduce new changes or remove the need to wear a mask altogether.

We will respond once again when either the Government or the Church of England make future announcements.

There is a general feeling that all the Christmas Services were reasonably attended and the Community appreciated the extra services that took place. It was good to have the schools back in our church building.

A big thank you to the PCC and those who made this possible. I heard many a comment of the difference it has made to our worship having Stephen as our Organist and I couldn't agree more.

Toy Collection

Thank you to all those who donated toys this year. The Salvation Army were very happy to receive them and they were distributed to families in time for Christmas. A real generosity of spirit by you all.

Daily Offices – Morning, Evening and Night Prayer will commence again on Monday 3rd January and will be streamed as normal.

Saturday

The Jan/Feb Magazine has been completed and printed but will not be available for delivery until Wednesday 5th January.

I hope everyone has had a good Christmas and a Happy New Year and that you have managed to see some of your family members.

Finally, just to let you know I am on holiday from the 10th January until the 4th February inclusive. All Services have been covered and arrangements made for things to continue as normal. I am so lucky to be supported by a Team who knows what they are doing and so in the first instance in my absence please could you contact either of the Church Wardens, Brian or Gary if you have any issues or problems.

Gail will take care of any pastoral needs.

My prayers are with you – Sharon x
