Acts 2:37-47

It was pleasing to see the Church open last Wednesday and the people attending on the Sunday is gradually increasing. I continue to take lateral flow tests twice a week on Tuesday and Saturday mornings.

We will continue to follow government guidelines as they are announced and we will discuss any changes in PCC as to the best way forward for our particular circumstances.

Please continue to follow all guidance and requests by the stewards when in church.

A reminder that Holy Communion will be offered in one kind only and I will come to you to administer the bread and will observe all relevant guidelines for the administration of Holy Communion.

APCM – 16th May 2021 will be held during the service. If people could arrive from 10.10 so that we can begin at 10.20. All reports will be on our webpage by Sunday 9th May. I can also send them out to those who receive our Notice Sheet via email and for those who get the Notice Sheet delivered I will print copies for them. There will be a few copies available in church on Sunday 9th but most people will already have received them. The Sermon slot will have the Vicar's report read and perhaps one or two others depending on time. There will be time for questions at the end of the Service. If you are a member of our church and attend online there will be someone

monitoring the side bar and you will be able to vote and ask questions in the sidebar.

Once again we are asking for your help as part of our wider area support for Christian Aid.

Whilst Christian Aid help with many different emergencies for this year's Christian Aid Appeal they are focussing on the Climate Emergency.

Dawn will be undertaking a sponsored walk during Christian Aid Week (10-16th May) following a route supplied by the Morley District Christian Aid Committee.

This climate crisis hurts us all. But people living in poverty fight the worst of it every day. From drought to flooding, climate change robs people of control over their lives. Extreme weather means people are struggling to survive without a reliable source of water.

Your sponsorship could help a community build an earth dam, so when the rains do come, they will have the water they need to live. A reliable source of water will help families withstand long drought or relentless rainstorms.

Every donation can help change lives.

If you would like to sponsor Dawn, or make a donation to Christian Aid you can do it via the church bank account details are given below:-

Please put Walk in the reference.

Or you can leave donations in the plate in church after a service – please place them in an envelope marked Christian Aid.

Thank you in advance for your support.

My prayers are with you
Sharon
