

Notices

We all need to pray for so many things, wisdom for our Government, safety for our families but as Christians let us also be beacons of light to those around us. Help us share what we have and shop sensibly. Help us to be the ones to look out for our neighbours.

Once again if you need anything please do not hesitate to contact me. My prayers will be with you.

We are not people of fear: we are people of courage. We are not people who protect our own safety: we are people who protect our neighbours' safety. We are not people of greed: we are people of generosity. We are your people God, giving and loving, wherever we are, whatever it costs for as long as it takes wherever you call us. Amen

If you are not familiar with technology please ask a younger member of the family to show you. It is a way we can worship together in our homes, just as the early Christians did thousands of years ago.
