**Possible Dates for your Diary**

The PCC have agreed provisionally the following plans:-

To hold the Family Fun Day on Saturday 10<sup>th</sup> July – 10.00am-2.00pm

One or two requests for the family fun day – there will be a tombola stall, therefore, could I ask for donations of any unwanted gifts laying around that you have not used that may be suitable for this stall. If it doesn't go ahead then they will be saved until such day as we can utilise them thank you.

Nearer the time, if the Fun Day goes ahead please could we have a few volunteers to bake cakes?

To hold an Open Day on Saturday 18<sup>th</sup> September 10.00am-2.00pm

There is no certainty about these dates and they will not be advertised early. It all depends on Government guidelines at the time but we do need to begin to look forward in hope, seeking God's providence in all we do.

**Pastoral Care and Visiting**

Gail and I did begin visiting this week and we will be contacting individuals in due course. The visits are

carefully planned and all necessary precautions will be taken. It was lovely to see people again.

The wedding of Daniel and Charlotte took place yesterday at the 5<sup>th</sup> attempt. It was a beautiful day. They were very happy to have their family and friends present but also very happy that their wedding was streamed to a further 90 people via facebook. Daniel's father speaks no English and so I attempted to speak Romanian for part of the service which seemed to go very well. If you wish to take a look then the video will remain on the following facebook page for the next two weeks:-

**Message from Jason and Heather**

*Dear all,*

*I wanted to thank you all for everything over the last year. It has been simply incredible to make so many new friends whilst collaborating and worshipping with you all albeit virtually at various points in the year. Both Heather and I have been made very welcome (and even before I officially started working at St Mary's whilst covering for other organists!).*

*It was an extremely difficult decision to leave somewhere where we were both so happy and settled. Quite honestly, we thought we would be with you for years! That was the plan anyhow (!) alas, life had slightly different plans for us both. As many of you know we are having a baby girl in September and Heather's family is from the North East. Over the last few months, and considering COVID-19, it became a necessity to relocate to be closer to her family. You may (or may not!) be pleased to know that we will be back at some point. You haven't quite managed to get rid of us both yet 😊 Additionally, we're planning on having our daughter baptised at St Mary's in the future.*

*Lastly, we both wanted to wish you all the very best going into the future. You will all remain in our hearts and prayers for many, many years to come.*

*God bless,*

*Jason and Heather*

If you have any notices that you wish to put into the pew sheet please let me have them by Friday.

My prayers are with you – Sharon
