While Government Guidelines have only addressed public transport and retail shops for mask wearing, it is only responsible that we now wear our masks throughout the service and only remove them once seated to eat and drink. This will apply to all Services including Baptism and Funeral Families unless the government introduce new changes or remove the need to wear a mask altogether.

We will respond once again when either the Government or the Church of England make future announcements.

Please can I remind people that during tea and coffee masks can only be removed once sat at a table. If you get up to move, then you must put your mask back on. Drinks will be brought to your table and cakes/biscuits will be offered. Those serving tea and coffee, cake and biscuits please wear a mask at all time and gloves should be worn. This is to protect each other and those who are vulnerable amongst us. It is easy to relax, enjoy each other's company and forget and we are all guilty of it, but we really do need to try to protect each other and keep on top of mask wearing when moving around.

Thank you

Sharon

Gail will take care of any pastoral needs.

My prayers are with you – Sharon x
