Notices

It would appear that we as a church will not be meeting in person for quite a while, however, I will weekly telephone you (along with Gail) both to see how you are doing and to see if you need anything.

If you know of a neighbour who would appreciate a phone call please let Gail or I know.

Inside this notice sheet will be the scripture readings for the week – please use the time wisely that we are in self-isolation.

If you are not familiar with technology please ask a younger member of the family to show you. It is a way we can worship together in our homes, just as the early Christians did thousands of years ago.

Finally, we all need to pray for so many things, wisdom for our Government, safety for our families but as Christians let us also be beacons of light to those around us. Help us share what we have and shop sensibly. Help us to be the ones to look out for our neighbours.

There is a great community group that has been started on facebook called Tingley, Ardsley & Thorpe- VIRAL KINDNESS

Take a look and if you can help then please do so.

Once again if you need anything please do not hesitate to contact me.

My prayers will be with you.

If you wish anything to go in this notice then please send it to me. I will email them out to those I have email addresses for and try to drop off copies for those that don’t.

Best wishes

Keep us, good Lord,
under the shadow of your mercy
in this time of uncertainty and distress.
Sustain and support the anxious and fearful,
and lift up all who are brought low;
that we may rejoice in your comfort
knowing that nothing can separate us from your love
in Christ Jesus our Lord.
Amen

It is unusual that we are having this period of enforced self-isolation: for some it will be very busy, and yet for others who are used to dashing around volunteering etc now find themselves confined to barracks for an indefinite period.

I have been confined in the Vicarage this past week due to Lizzy catching what appears to be a heavy cold and although I have been extremely busy trying to sort out new ways to share worship together, I have had to get out into the garden and get some fresh air.

I am not a stayer in at all – I like my lifestyle of popping here and popping there but at such times as these we do all have to lay down our lives for our brothers and sisters and that means we should all stay in, work from home if we can, and only go out when it is really necessary for work or food.

Those who are on the front line from the very lowest paid the Care Workers who look after our Elderly to those who are Nurses in hospitals, to those who are Consultants, to the Police, the Paramedics and the Teachers we all owe a great debt as they take risks so that we may be safe. Please pray for them and do your bit by protecting yourself and them.

Keep us, good Lord,
under the shadow of your mercy
in this time of uncertainty and distress.
Sustain and support the anxious and fearful,
and lift up all who are brought low;
that we may rejoice in your comfort
knowing that nothing can separate us from your love
in Christ Jesus our Lord.
Amen
