Hosea 6.7-7.2

I am very pleased to hear that many of our older members of the congregation have either had their first vaccination or have an appointment to do so. The Government has a mammoth task in rolling out this programme of vaccinations and the latest figures show that our area is doing very well in meeting the targets for the first four groups to be vaccinated with their first injection by mid February. I am aware that some of you also have appointments for your second injection in April. This is all good news of course, but, at the same time, we are all faced with difficult choices to protect ourselves and each other. I don't envy the experts in the decisions they have to make.

A bit of local news is that St Michael's at East Ardsley now have a new Vicar, Rev'd Mark Watson who comes from Bradford. His induction took place two weeks ago.

I will be doing the ring round this week and it will be nice to catch up with those who cannot attend services.

By next week I will have sorted out what we are doing for Lent though of course it may be plan a, b or c depending if the government make any announcements. The PCC are due to meet again on Monday 8th February where we will continue to assess our situation with regards to keeping our Services on line for the time being.

The Church of England have given some guidance and Bishop Nick and Bishop Paul have made it clear that they will support decisions taken locally and they have been informed that we have suspended worship for the time being.

A date for your diary would be **Tuesday 16th February which is Shrove Tuesday** so please enjoy your pancakes!

This means that **Ash Wednesday will be on Wednesday 17th February and Lent will begin.**

Please take care of yourselves. If you are struggling or need anything then please do not hesitate to contact either myself or Gail.

Love and prayers to you all.

Sharon
