A reminder that the Church building will re-open on Wednesday mornings from Wednesday 5th May 2021 for Holy Communion Services at 10.00am. These of course will still be streamed.

As a precaution against cross contamination I am voluntarily taking lateral flow tests twice a week on Tuesday and Saturday mornings.

We will continue to follow government guidelines as they are announced and we will discuss any changes in PCC as to the best way forward for our particular circumstances.

Please continue to follow all guidance and requests by the stewards when in church.

A reminder that Holy Communion will be offered in one kind only and I will come to you to administer the bread and will observe all relevant guidelines for the administration of Holy Communion.

APCM – 16th May 2021 will be held during the service. If people could arrive from 10.10 so that we can do the initial meetings before the service. All reports will be on our webpage in due course (and hard copies will be available on the Sunday previous). The only reports that will be read in the Sermon Slot will be the Vicar's report and maybe one other – I will let you know. There will be time for questions either after the Vicar's report or at the end of the Service.

An Electoral Roll notice has been placed on the Church Door and will go on our website tonight. It is not a complete revision this year but if you are not on the Electoral Roll and have attended the church for the past six months and see St Mary's as your Church then please see Dave Townsend and complete the necessary form.

Once again we are asking for your help as part of our wider area support for Christian Aid.

Whilst Christian Aid help with many different emergencies for this year's Christian Aid Appeal they are focussing on the Climate Emergency.

Rev Sharon and Dawn will be undertaking a sponsored walk during Christian Aid Week (10-16th May) following a route supplied by the Morley District Christian Aid Committee.

This climate crisis hurts us all.

But people living in poverty fight the worst of it every day. From drought to flooding, climate change robs people of control over their lives. Extreme weather means people are struggling to survive without a reliable source of water.

Your sponsorship could help a community build an earth dam, so when the rains do come, they will have the water they need to live. A reliable source of water will help families withstand long drought or relentless rainstorms.

Every donation can help change lives.

If you would like to sponsor Rev Sharon and Dawn, or make a donation to Christian Aid you can do it via the church bank account details are given below:-

Account Name: Woodkirk PCC

Please put Walk in the reference.

Or you can leave donations in the plate in church after a service – please place them in an envelope marked Christian Aid.

Thank you in advance for your support.

My prayers are with you
Sharon
