Dear friends

If you are a Children's Society collection box holder, I would like to make arrangements to collect these over the next few weeks.

If, like me, you don't seem to have had much change as so much spending is via card payments, you can, if you are able, donate by cheque made payable to 'The Children's Society' and pass that to me or via Rev Sharon/Gail/Barbara, which would be fab.

If you have a collection box, if you are attending church physically you can bring them and leave them in church, I can gather them from there.

If you are not, then please contact me on 07840 739239 and I can make arrangements to call and collect from your address. (If you normally bring me boxes from family or friends, if they can easily get them to you so I can collect them altogether that would be really helpful). Your generosity is needed now more than ever, and every penny counts. Last year box collections including ours, raised over £1.4 million pounds!

There is a Covid procedure for when I collect any boxes which I will go through with you when I arrange to collect your box.

Many thanks for your help.

Dawn Tattersfield (Box Coordinator)

**All Souls Day** – Service at 7.00pm in church and the service will also be streamed. Please could you let Gail know if you are going to attend in Church? Only one bubble per family please and the bubble cannot be greater than six and all have to sanitise and wear a mask. This is a service when we remember those we have loved but see no more. There is also a list at the back of church if you are attending church otherwise please let Gail know the names of your loved ones. Gail can be contacted on [gail@stmarywoodkirk.org](mailto:gail@stmarywoodkirk.org) or telephone number 07792 975814.

**Remembrance Sunday** will be held on 8<sup>th</sup> November. Unfortunately, the British Legion will not be in attendance this year, however, we will remember them in our 10.30am Service which also will be streamed.

**Thank you to all those who wished me well on my annual leave. A big thankyou to Dawn and Gail for covering all the services in my absence.**

The clocks have gone back today and so we see the start of the night's drawing in and the start of winter which is already a difficult time for many. Compound that with COVID and the 3 Tier System introduced by the Government to protect others and ourselves then it is no wonder people are struggling with loneliness, anxiety, fear and poverty. As a church we support our local foodbank and we have a good support system for those who are regular members of the congregation but I want you to think about today's Gospel reading and the Golden Rule which states (this is Jesus speaking to the Pharisees), "Love your neighbour as yourself". Now is the time to know that God loves you and accepts you just as you are and because of that you can and should love yourself and be accepting of yourself. It is only then we can truly love our neighbours (whether we like them or not! – Jesus' definition not mine!). So please if you have elderly neighbours, young parents, or know anyone that is struggling, please reach out and knock on their windows and do what you can. Please feel free to put my telephone number through their letterbox and we as a church can both befriend and point them to the appropriate services or at least give them a sandwich or a listening ear.

We are one nation under God and it is only when we put God first are we able to put others before ourselves and understand that in these terrible times there is hope in the person of Jesus Christ – For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

Blessings. Sharon.
