**Lent Reflections**

Thank you to all who came to the Lent Reflections – I arranged a Zoom Meeting on the 14<sup>th</sup> April at 7.00pm for anyone who would like to ask any questions.

**St Mary's Church will reopen for Easter Sunday.**

Sun 4<sup>th</sup> April - Easter Sunday – 10.30am He is Risen! He is Risen indeed! Alleluia. (Church Open and Streamed live)

Please can I remind you of the following:-

- a) We will open on Sunday's only for the first four weeks – this will reduce the risk of transmission and will allow the majority of those over the age of seventy to have had their second injections. This will be reviewed at the PCC Meeting in April.
- b) There will be social distancing in place, there will be no free movement around the church and there can be no mingling at the end of the services. Please, please when asked to leave by the person on duty do so – this is for your benefit as well as others.
- c) Face masks should be worn and of course there is no singing permitted. Neither will there be coffee or tea at the end of the Service.
- d) We will continue to stream all services.
- e) We can only have so many bubbles in church due to the size of the building.

- f) If you do not feel ready to comeback, or safe to come back or are still shielding then please take it at your own pace and join us on line. Everyone, on line and in building, make up the church.

A reminder that Holy Communion will be offered in one kind only and I will come to you to administer the bread. At this point I will be masked and gloved and your element of bread will remain in a covered ciborium until I have masked up and sanitised my hands and put on gloves. Then and only then will I open the ciborium. When I come to you if you can hold your hands together and flat then I can place the wafer into your hands without my gloved hands touching yours. If there is contact then I will go back and re-sanitise my hands and put on new gloves before I administer to the next person. This seemed to work very well in the past and is the safest way at the moment.

Certainly up until (at least) 21<sup>st</sup> June we will continue to follow all the government guidelines on numbers, social distancing and face masks.

The PCC will continue to review their decisions in light of new guidance from the Government and the Church of England. Always our priority will be your safety and the safety of those who volunteer.

**National Day of Reflection – 23<sup>rd</sup> March**

The National Day of Reflection appeared to go very well and if you would like to add your name of a loved one that has died during the past year March 20-March 21 to our planned St Mary's Memorial Wall Hanging then please contact Dawn on 07840739239.

I will look forward to seeing some of you in Church on Sunday but if you are not ready yet to come back into Church then I will keep you in my prayers.

If you are struggling or need anything then please do not hesitate to contact either myself or Gail.

Love and prayers to you all.  
Sharon

**Lent Reflection – Week 6**

This was a service of prayer, reflection and silence, however – there were some questions that I posed for reflection later in a document and so I thought I would include them with this Notice Sheet for you to think about too.
